ALUMINIUM ENTRY DOORS

Wideline's policy of continued improvement may result in changes of specification without notice.
Windows and doors illustrated as viewed from outside.

- Door panels available in 620, 720 and 820mm standard widths.
- Entry frames rate to a maximum BAL-40 rating.
- Entry frames can be ordered as frame only or with pre-hinged aluminium door.
- Entry frames are available in open-in or open-out configurations.
- Entry frames are available with or without sill.
- Open-in doors are not recommended for exposed locations or where verandahs, porticos, etc. do not provide protection to the door opening as open-in doors do not have a sill.

Please note;

- Entry frames sold with no sill do not carry a water rating.
- All frames are designed to accommodate a standard 2040 x 820mm door.
