# HORIZON SLIDING WINDOW | DOUBLE GLAZED

An absolute classic, the sliding window allows for large horizontal openings, bringing more airflow and light into your home.

Our Horizon sliding windows are designed to provide excellent access to screens and importantly to the sill section for easy cleaning.

Double glazed windows keep heat in or out of your home (depending on the season) and reduce external noise.

## FEATURES

- Smooth and quiet sliding action
- Our double glazed windows are equipped with heavy duty rollers
- Deep weatherproof seals
- Double glazed glass panels will help regulate your home's temperature and energy efficiency
